SECTION IX. NARRATIVE

At approximately 10:07 hours on January 14, 2011, (b) (6) (USN/RES) and I were conducting Command Authorized Random Vehicle Inspections (RAMS) at NAVSTA Newport ECP Gate 1.

At this time, (b) (6) directed a (b) (6) (b) (7)(C) into vehicle lane 3. I stopped the vehicle and informed the operator, identified as (b) (6), that we were conducting a "Command Authorized Vehicle Inspection." (b) (6) acknowledged that he understood his vehicle was being inspected and that he would comply with the inspection. I asked (b) (6) to turn off his vehicle, for his license, vehicle registration, and proof of insurance. (b) (6) complied and handed me the documents. I then asked (b) (6) to leave all interior compartments open for inspection, to step out of the vehicle, and open all exterior doors and hood. (b) (6) complied and exited the vehicle opening the doors and rear tailgate cover. I directed (b) (6) to stand towards the rear side of the vehicle in a safe location as (b) (6) began the inspection.

At approximately 10:09 hours, while conducting the inspection, (b) (6) notified me the he had found a weapon in the vehicle. (b) (6) stated he was inspecting the passenger side area and discovered two handguns which were located in a black backpack behind the passenger side seat. (b) (6) discovered an unloaded .22 caliber Ruger "Single Six" shot revolver in a brown leather western style belt holster. The Ruger was inside the large compartment of the black backpack. The backpack was within reach of the drivers seat. (b) (6) then discovered a Derringer style .32 caliber palm pistol. The Derringer was loaded with (2) unfired .32 caliber rounds. The Derringer was in a black cloth velcro waist holster and was discovered in a small front compartment of the same black backpack.

I immediately ordered (b) (6) to place his hands on the side of a building located where we were conducting the inspection. (b) (6) complied without resistance. I began a pat down search of (b) (6) exterior clothing for my safety and his. (b) (6) asked Mr. (b) (6) if he had a RI State permit to carry a weapon. (b) (6) replied "NO, I do not have a weapons permit for the guns. I have a RI Blue Card" (Department Environmental Protection Gun Safety Card) which allows transportation of weapons from a residence to a range.

At approximately 10:10 hours, (b) (6) was informed that he was being placed under arrest for RIGL 11-47-8 License or permit required for carrying pistol (as assimilated by 18 USC 13), a violation of Rhode Island State Weapons Law requiring a permit to carry a loaded/concealed weapon. I then read him his Miranda Warning Rights from a card I carry in my uniform and in the presence of (b) (6). (b) (6) acknowledged he understood his rights. I again conducted a check of his clothing/person to assure (b) (6) was not carrying any weapons on him. (b) (6) stated he had no weapons on him. I handcuffed (b) (6) and he complied without resistance. I double locked the handcuffs and assured that (b) (6) was not in any pain from the handcuffs. (b) (6) continued the inspection of the backpack and found no other weapons. He then continued a search, incident to arrest, of the rest of the vehicle with negative results. (b) (6) secured and unloaded the Derringer and assured the Ruger was unloaded of any ammo. I then rechecked the weapons and took them into my custody as evidence.

At approximately 10:10 hours, I notified NAVSTA Police (b) (6) of the situation. At this time, I was instructed by (b) (6) to transport the suspect to NAVSTA Police Headquarters for processing. I placed the suspect in the rear of my Police cruiser, and had NAVSTA Newport Police dispatch conduct a Wants and Warrants check which came back negative. (b) (6) vehicle was currently registered and his RI Drivers License was current and active.

At approximately 10:30 hours, Officer (b) (6) arrived on scene to inventory the vehicle. Rhode Island Towing was notified and responded to the scene for removal of (b) (6) vehicle. Officer (b) (6) completed the inventory via OPNAV 5580/12 and the vehicle was towed at 11:30 hours to Rhode Island Towing for impoundment.

At approximately 10:43 hours, (b) (6) and I transported (b) (6) to NAVSTA Newport Police Headquarters for processing. We arrived at the Police Station at approximately 10:47 hours without incident. (b) (6) was brought into the Booking room. (b) (6) was searched again for any weapons with negative results. (b) (6) was released from the handcuffs and asked if he was injured in any way, to which he reported having no injuries. (b) (6) was then read his Civilian Suspect's Acknowledgement and Waiver of Rights form (OPNAV 5527/4) to which he acknowledged, made a statement, and signed in the presence of (b) (6) and myself. He was then fingerprinted and photographed.

The evidence was seized and turned over to (b) (6) via an Evidence Custody Receipt (ECD) and transported to Perry Hall Armory for temporary storage. An NCIC weapons check was conducted with negative results. (b) (6) was given the hard copy receipt of the ECD for future retrieval of his weapons.

I then issued (b) (6) a United States District Court Violation Notice # N0578752 for RIGL 11-47-8 License or Permit Required for Carrying Pistol, as assimilated by 18 USC 13.

At approximately 13:20 hours, Mr. Stroker was released on his own personal recognizance via DD 2708.

On 01-14-11 at approximately 10:00 am I, (b) (6)(b) (7)(C) conducted a random anti-terrorism measure (RAM # 23) which was a vehicle inspection of every 2nd vehicle.

At approximately 10:07 I directed a green in color (b) (6) into lane 3 for inspection. The driver whom was identified as; (b) (6) was informed by (b) (6) that this is a random vehicle inspection authorized by the CO of Naval Station Newport, R.I which he acknowledged and gave us permission to inspect. (b) (6) then turned over his license, registration, and opened all doors, glove compartment and hood for me to inspect. I, (b) (6) started the inspection with the passenger side of the vehicle where I searched the front seat, nothing found, and continued on with the search of the back seat. At this time I observed a black in color backpack, opening the larger part first, and observed a weapon. I immediately informed (b) (6) for safety.

I continued to search only the backpack for more weapons which I found another weapon in the front smaller pocket. The 1st weapon was a .22 cal single six revolver, black metal wood handgrip serial (b) (6) in a western type holster and belt with 18 .22 rounds in the belt. The 2nd weapon was a loaded Derringer type Davis industries model-D .32 cal two barrel polished steel with wood handle pistol. It contained 2 .32 cal rounds hollowpoint-CBC. The weapon was in a black nylon holster. I also found 2 boxes of ammo, 100 count CCI blount inc. .22 cal short rounds in an orange plastic case and 68 count CCI blount inc. .22 cal long rifle rounds in orange case. I stopped the search at that point and secured the weapons. I observed (b) (6) (b) (7)(C) his Miranda warning rights which he acknowledged. Mr. (b) (6) did state " he did not have a weapon permit for the guns". (b) (6) and I placed (b) (6) into hand restraints and conducted a pat search of his outer garments for weapons with negative results. We then transported him to NAVSTA Newport Police Headquarters for processing. I, (b) (6) had no further contact with this person.

Good afternoon, (b) (6) My office is responding to a FOIA request for information on individuals unlawfully possessing firearms on board the installation. In providing documents to our FOIA coordinator, I am attempting to obtain the disposition of these offenses.

Do you have a final disposition for (b) (6) date of offense January 14, 2011? I am not able to locate him in our system. Thank you for any information you have.

Very Respectfully,

(b) (6)
